INGREDIENTS

4 portion(s)

2 tbsp apple cubes*
2 tbsp avocado cubes
1 tbsp mayonnaise
1 nori sheet
80 g cooked sushi rice*

To serve:

Apple and avocado strips
Kikkoman Naturally
Brewed Soy Sauce
*You can also use
persimmon, grapefruit,
orange or any other fresh
fruit instead of apple.

PREPARATION

Step 1

Mix apple and avocado cubes with mayonnaise in a bowl.

Step 2

Cut nori sheet: cut a strip of 3 cm on one side against the lines and put aside.

Step 3

Cut 4 nori strips using the given lines and set aside ready (approx. 3 cm x 15 cm 4 sheets).

Step 4

Form 4 x20 g sushi rice into oval balls with wet fingers.

Step 5

Place a nori strip around each ball, "glue" it with a few grains of the sticky rice and press it well.

Step 6

Place one portion of the prepared apple-avocado-mixture on each rice ball.

Step 7

Arrange gunkan with fine apple strips and avocado to garnish and serve with Kikkoman soy sauce.
